

# Generation Work Strategic Framework Tool

## Instructions

When discussing the various framework components with your partners, please use this tool to write down your thoughts and ideas.

## Framework Components

<p><b>Results:</b> The quality-of-life condition for a whole population</p>	
<p><b>Analysis of Current Situation:</b> A review of the context which the partnerships finds itself.</p>	
<p><b>Identification of Strategies:</b> The key approaches the partnership will use to accomplish the result.</p>	
<p><b>Partnership Management:</b> Your approach to building, organizing and managing internal and external partners as you collectively implement your work.</p>	

<p><b>Performance Measures:</b> Used to measure the success of the strategies and progress towards the result.</p>	
<p><b>Implementation Action Plan:</b> Addresses the actions, responsible actors, timeframes, resources, and method of evaluation for each strategy.</p>	
<p><b>Partnership Agreement:</b> An agreement, or a MOU, in which each of the partners signs a written agreement that defines each partners roles, responsibilities, and their overall commitment to the work.</p>
