

Rapid Resource Fund Portfolio  
2014 - 2018

as of 1/28/2018

RRF 2014-15 Cycle			\$ 115,128	
Road Map Community Network Steering Committee (Fiscal Sponsor: CCER)	2014	Harvard University Family Engagement Institute	\$ 20,000	This work will advance the foundational strategies in the family engagement framework, which include: regional alignment of family engagement metrics, strong data system capacity for continuous improvement, and systemic and integrated family engagement infrastructure that is shared between school staff, parents and community stakeholders.
OneAmerica	2015	Overdubbing of World Language Credit Video into other Languages	\$ 19,500	By intentionally targeting and planning outreach to linguistically diverse families, those often not engaged in the school system, this project will bridge and create cross-sector collaboration through outreach to families about the World Language Credit program
Seattle Public Schools	2015	ELL Leadership Retreat	\$ 20,000	By providing the ELL leadership training to 10 leaders from each district, those leaders will be empowered with the knowledge and skills to raise achievement for ELLs, and will extend that knowledge more broadly across the districts and within schools. In addition, it will facilitate the opportunity to work collaboratively across districts with a common understanding of their needs as well as those of their teaching team.
PSESD	2015	Incentivizing the Implementation of Bridge to College Transition Coursework	\$ 19,688	<ol style="list-style-type: none"> <li>1. Allow more high school students to avoid remediation and placement testing when they enter college.</li> <li>2. Improve curricular alignment between K-12 and entry-level college courses in math and English.</li> <li>3. Develop and sustain local college/school district partnerships and faculty/teacher collaboration.</li> </ol>
University of Washington Office of Sponsored Programs	2015	Supporting Successful ELL programs in two Road Map School Districts	\$ 20,000	<ol style="list-style-type: none"> <li>1. Identify the structures and factors that are associated with successful transition of ELLs from high school into higher education.</li> <li>2. New ELL-specific indicators that demonstrate success for ELLs</li> <li>3. Policy changes based on the data and conversations around the data</li> </ol>
Road Map Community Network Steering Committee (Fiscal Sponsor: CCER)	2015	Harvard University Family Engagement Institute 2.0	\$ 15,940	To support a second cohort and deepen the region's learning in the family engagement framework, which include: regional alignment of family engagement metrics, strong data system capacity for continuous improvement, and systemic and integrated family engagement infrastructure that is shared between school staff, parents and community stakeholders.

Rapid Resource Fund Portfolio  
2014 - 2018

as of 1/28/2018

RRF 2015-16 Cycle			\$ 131,013	
CCER	2015	Equity Summit Participation	\$ 18,000	To provide opportunities for community leaders (including CBO leaders and parents) to learn successful strategies and approaches in how best to advocate for under-represented communities and affect positive outcomes.
C2C Coalition Members (Fiscal Sponsor: CCER)	2015	Follow the Money Report	\$ 20,013	The budget analysis will strengthen our ability to advocate locally to districts for funds to be used for strategies that can close the opportunity gap for low income students and students of color.
PESB	2015	PESB Teacher Pipeline	\$ 20,000	1. To develop teachers with strong biliteracy skills to support expansion of dual language programs, recognizing the value of bilingualism, and filling a critical shortage of biliterate teachers in the Road Map Region. 2. To provide bilingual instructional assistants the opportunity to earn the necessary credentials for successful transition to becoming ELL/bilingual language teachers, which will address the student diversity and demographics in South King County.
YDEKC (Fiscal Sponsor: Schools Out Washington)	2014	Youth Program Directory	\$ 20,000	To support the one-time costs associated with the web design and construction work for the Youth Program Directory (now live) <a href="http://www.youthprogramdirectory.org">www.youthprogramdirectory.org</a>
Schools Out Washington	2016	Communications Planning	\$ 20,000	To develop the branding and messaging needed to garner wide scale support to successfully launch the summer learning programs planned for Summer 2016. The summer learning opportunities are designed to reach the region's low-income youth and youth of color.
YDEKC (Fiscal Sponsor: Schools Out Washington)	2016	Social Emotional Learning (SEL) Symposium	\$ 13,000	To build shared understanding and support the development of a more coordinated forward path to support SEL practice and measurement in the region
King County Housing Authority	2016	School Attendance Campaign (August)	\$ 20,000	To implement an attendance campaign during the 2016-17 school year, launched in August 2016 with aim to expand into other schools and districts. Intended results include: Increased school attendance rate of KCHA youth, School-based, cross-sector "attendance teams" to facilitate effective family engagement and data sharing, 800 KCHA households receiving attendance-related communications; community conversations held by KCHA to receive feedback on communications, 500 KCHA youth and parents involved in attendance-specific education or activities, 15 attendance-related family engagement events for KCHA families.

Rapid Resource Fund Portfolio  
2014 - 2018

as of 1/28/2018
