What is the FAFSA Completion Initiative?

The FAFSA Completion Initiative allows participating districts access to student-specific FAFSA completion information for their students.

Background

- First Lady's Reach Higher Initiative and FAFSA Completion Challenge
- Pilot program with 100 schools
- Full release with 2014-2015 data
- 60% of districts have returned data usage agreements in first months

FAFSA Completion Portal

What will the portal show and what is available to the public?

- Student completion data is available in the portal
- Aggregate district data is available to the public via:
  - www.wsac.wa.gov/12th-Year-Campaign (12th Year Campaign Resources, too)
  - Bit.do/FAFSACompletionData

It's important to understand a district's data!
